
Curriculum for Excellence

College Sector Perspectives

Scotland's Colleges

The story so far...

2 years awareness raising 07/08, 08/09:

- “what does it mean for the college curriculum?”
- “what will new qualifications and assessment be like?”
- “how will ‘skills’ be assessed under CfE?”
- “let’s wait for the new qualifications!”
- Growing awareness of how current practice contributes to CfE
- Some concern over literacy, numeracy, health and well-being as “everyone’s responsibilities”.

2009-10...

- Professional Learning Communities
- Workshop series...
 - BtC 3 and the four capacities
 - Skills for learning life and work (BtC 4)
 - Assessment (BtC 5)
 - Literacy and Numeracy
 - Health and well-being
 - The Confident Practitioner

2009-10...

- [Implementation Plan...](#)
- Colleges including CfE in Learning and Teaching Strategies
- Colleges working towards implementation with local school partners
