HOLD IT – WHAT A PICTURE! FOCUS ON PHOTOGRAPHY AT MOTHERWELL COLLEGE EXHIBITION

Every picture tells a story. And the unbelievably high quality of photos that will be on display at an evening exhibition taking place on 27 May at Motherwell College, tells the story of just how talented the College photography students are.

As well as stunning images of landscapes, still life and portraiture, you'll also get the chance to see what it looks like to 'Go Gaga' with several images reflecting the frontier-pushing style of the chart-topping exhibitionist that is the Fame Monster – Lady Gaga!

This is the first exhibition of its kind on this scale that Motherwell College has ever put on. It is completely free to view and has been put together by College students on the one year HNC Photography course, and their lecturers. The course is designed to give participants a solid foundation on which to build a photography career or - if you are a keen amateur snapper – to introduce you to the technical and practical aspects of professional photography.

You'll also be able to speak to the students and staff as you browse the exhibition, and find out more about what the HNC Photography course could offer you.

The HNC Photographic Exhibition will take place on Thursday 27 May 2010, from 1830-2100hrs in Motherwell College 1st Floor Internet Café. Entry is free and includes a buffet and drinks. The photos will remain in the Café until replaced with next year's course work.

To find out more about the exhibition – and about the HNC Photography course at Motherwell College, phone 01698 23 26 52 or email hlawson@motherwell.co.uk

Motherwell College moved to a new campus at Ravenscraig in July 2009. More than 20,000 students and 500+ staff continue to take advantage of the high quality education programmes the College offers in the new 21st century £70 million facilities.
