

## PRESS RELEASE

### Beauty Showcase

Students from South Lanarkshire College recently strutted their stuff at the College's beauty showcase. The event was a resounding success and the students presented two bumper cheques to charity as a result. The students dazzled in a fashion show based on two themes – Bollywood and Fashion through the Ages.

As well as being a crowd pleaser and inspiring the students, the event raised £1000 for worthy causes which the students handed over to Breast cancer care and the Teenage Cancer trust.

Pictures of the cheque presentation and the event are included.
