

Media Line RE Announcement on City of Glasgow College

FOR IMMEDIATE RELEASE

30th August 2010

Graham Johnstone, Chair of the Chairs' Congress, said: "The announcement that the merger of Central College, Glasgow Metropolitan College and Glasgow College of Nautical Studies is to go ahead today is good news for all learners in Glasgow. The Scottish Funding Council and the Scottish Government have worked extensively with all stakeholders involved over a number of years, and they must be pleased that this merger will now proceed.

"The creation of the City of Glasgow College will further enhance the learning environment of the city, and create more choices and better opportunities in the future. We must congratulate the Principal and Board of Management, who will now focus on managing the merger to ensure the best possible learning experience for its students. This is a good result for learners, for Glasgow and for the merging colleges, and we wish them every success."
